What is the Miracle League of Joliet?

The Miracle League of Joliet is a not for profit organization that removes the barriers that keep children with mental and physical disabilities off the baseball field and helps them experience the joy of America's favorite pastime. Nationally there are over 200 Miracle Fields serving more than 25,000 children and young adults.

The Miracle League of Joliet held its inaugural season in the spring of 2008 for 85 children. Now in its second season, there are over 130 children playing on 12 teams!

We cannot change or cure the medical issues life has dealt our children with disabilities. What we can do is provide them with an opportunity to experience the joy and benefits which come from playing our national pastime—BASEBALL!!

With continued community support and sponsorship, The Miracle League of Joliet will continue to serve these children in our community.
